

This is the Metadata of the Data sources associated with article:

Muñoz, G., Trøjelsgaard, K., & W.D. Kissling. 2018. A synthesis of animal-mediated seed dispersal of palms reveals distinct biogeographic differences in species interactions. *Journal of Biogeography*.

1.- File name: "Appendix1-DataSources.xls"

2.- File variables description:

| Column Names | Description | Type of Data |
|------------------|------------------------------------------------------------------------------------------------------------------------------------------|---------------------------------------|
| referenceKey | Coded key to the reference source of the interaction record to be matched with the dataset "PalmFrugInteractionDatasetOCT2018.csv" | CodedNames (text) |
| metagearInclude | Binomial (Yes/No) information on whether the reference was scanned in full text to search for pairwise interactions (Metagear filtering) | Logical argument (Y/N) |
| Author | Author(s) of reference, each author separated by ";" | Text |
| Title | Article title of reference | Text |
| publicationTitle | Title of journal where the reference is published | |
| ISSN | International Standard Serial Number of publication (ISSN) | Coded Numbers (xxxx-xxxx) |
| DOI | Digital Object Identifier of Publication | Coded text-number (xx.xxxx/. . .) |
| Pages | Page information of publication | Numbers |
